

By My Spirit

© 2009 words and music by Michael Nicholson
(taken from...Zechariah 4:6)

I know that you're hurt, I know what they've said
another bad report filling your head
But come to where I am, to where I abide
Look down on your problems from here
Where the eagles fly

CHORUS

***It's Not By Might, Not By Power
But By My Spirit Says The LORD***

Just don't lose faith, and don't lose belief
Don't let the trouble you're in
Come between you and me
I've heard your prayer, and I know your need
My Son will heal you
He will set you free

CHORUS
