The Spirit descended like a dove
John bore record He was the Son
In the river Jordan they saw him come
Behold the Lamb of G-d, Behold the one

CHORUS

*Will you follow Him to the city of the great King?
Will you follow Him to Jerusalem?*

*I will follow Him this man from Nazareth
Of whom Moses in the law and the prophets
did bless the rabbi, the Son of God,
the King of Israel
...I will follow Him*

He walked the seashore of Galilee
He told two brothers to follow me
They cast down their nets became
fishers of men They preached repent
and believe the kingdom of God is at hand

CHORUS

He taught in their synagogues
He preached the good news
And He healed their disease

His fame went throughout the land
And they brought Him the possessed
And He set them free...free...free
