do not fear O'Jacob
says the Lord O'Israel
I will save thee from afar
I will give health unto you
I will heal thee of thy wounds
for they say no one seeks Zion

CHORUS

***You will be my people, I will be your God
I will build you up again***

***Arise ye and let us go up to Zion
unto the Lord our God
Sing and Shout with the dance
The Lord will save the remnant Of Israel***

refrain thy voice from weeping
refrain thy eyes from tears
for there's hope in thine end
walk by the rivers of waters
Ephraim I'm your father
I will gather Israel
