

# THE HEAVENS DECLARE

© 2009 words and music by Michael Nicholson  
(taken from...Psalms 19:1-4)

*HaShamayim M'saprim k'vod El*  
*The heavens declare the glory of G-d*

Day unto day, night unto night  
The heavens declare His glorious light  
There is no speech where their voice is not heard  
Throughout all the earth.

## CHORUS

Around and round it goes the sun  
As it makes the heaven its home  
From one end of the heaven to the other  
Is the freedom of light to roam.
